

REGULATION

HALF MARATHON SAN SEBASTIÁN RURAL KUTXA 2026

ARTICLE 1. DATE AND TIME

CD. IRTEERA K.E. organizes the San Sebastián Rural Kutxa Half Marathon on October 4, 2026, a popular event included in the athletic calendar of the Royal Spanish Athletics Federation (RFEA) and the Basque Athletics Federation (FVA) and which is approved (21,097 kilometers).

The start will be at 9:30 in the morning at Boulevard in Donostia (next to the San Sebastián City Hall), to begin an urban and asphalt route, approved by the RFEA over the distance of 21,097 kilometers (half marathon). The finish line will be located at the same point and must be finished within a time limit of two and a half hours (2h30). A pacemaker will be marking the end of the race. All kilometer points are indicated with a sign panel. The organization recommends going in advance of departure where each runner will have their assigned time box.

The official website of the race is:

<https://www.mediomaratonsansebastianruralkutxa.com/es>

And the contact email: mediomaraton@flyactions.com

ARTICLE 2. CONDITIONS OF PARTICIPATION

This race is open to the participation of anyone who wishes, without distinction of sex or nationality. It is aimed at those born in 2008 (18 years fulfilled on the day of the test) and earlier, and foreign athletes who comply with the RFEA regulations can participate. It is not necessary to have an athletics license (it is open to anyone who wants it).

Each runner participates in the race under their own responsibility and is aware that they have a sufficient level of physical condition to face the test without any problem. A prior stress test is recommended, although this is not a prerequisite for registration and participation. Participation with roller skates, roller skates, wheelchairs, Nordic walking, accompanying pets and other disciplines other than athletics is prohibited.

ARTICLE 3. REGISTRATIONS

Participation has been limited to 5000 runners. Registration must be done online on the website:

<https://www.mediomaratonsansebastianruralkutxa.com/es>

The accepted payment method will be by credit or debit card and payment must be made at the time of formalizing registration. Registration will be open until September 29 as long as there are free numbers left. If it is previously sold out, it will be communicated through the organization's official channels (website and social networks).

All athletes who are not in possession of the RFEA national license (athletics) are required to obtain the license for the day, the cost of which is 4 euros (to be added to the prices indicated below).

All registration after September 7 will go without the personalized number.

ARTICLE 4. REGISTRATION REFUND

Once registration has been completed, under no circumstances will the amount of the registration be refunded nor can it be saved for future editions. When registering there will be the option to contract a money-back guarantee for €5.00, which guarantees the return of 100% of the registration amount until September 1 and from that date until September 18, it offers the possibility of saving it for the next edition. The money-back guarantee is essential to contract at the time of formalizing the registration. The amount of said guarantee is not refundable in any case. To make the refund effective, the registration holder must request it, sending an email to mediomaraton@flyactions.com, indicating name, surname, ID of the registrant and order number that appears in the registration.

CHANGES OF OWNERSHIP can be made on the website in the MY REGISTRATION section until Sunday, September 7.

ARTICLE 5. COLLECTION OF BIBS

The Bib-chip and the runner's bag can be collected on the following date, at Boulevard San Sebastian (Welcome area), as long as one of the other collection points established by the organization has not been selected:

SATURDAY 3 OCTOBER FROM 3:00 p.m. to 7:30 p.m.

No bib will be given on the day of the test.

The organization has set up various collection points, which can be selected when registering and which will also be indicated on the website.

Other collection points (official channels of the organization and by email will be communicated to those registered what collection times and dates they will have at these alternative collection points. In any case, it will be during the week of the event when they will be able to collect the runner's bag and bib number at these alternative collection points):

The collection point can be modified through the MY REGISTRATION section of the website until September 7, 2026.

It is essential that those who select this alternative collection points collect their number and the runner's bag from them on the dates indicated. The organization is not responsible for non-collection of the same.

Those who have selected an alternative collection point to the Welcome area will not be able to collect the number at any other point; nor in the Welcome area the day before the race

To collect the runner's bib number and bag, the QR that appears on the registration receipt is required and if a third person is carrying the QR, it will still be sufficient.

Those already registered may modify the collection point in the 'MY REGISTRATION' section until September 7, 2025.

HOME DELIVERY:

When formalizing registration (only before September 7) there will be the option of sending the bib to the indicated address for a cost of €15.00 (only Spain and France). The shipping address will be the one provided by the athlete during registration. It is very important that, when writing the shipping address for the runner's bib and bag home, the address is written correctly, since the organization will not be responsible for delays in delivery or non-receipt if the address is incorrect.

All registrations made in October will automatically be assigned the Welcome Zone (Boulevard San Sebastian) to collect the number and t-shirt.

NOTE: The organization does not guarantee that it will be able to provide all participants with the t-shirt size they request, since its production is carried out at the beginning of registration opening.

ARTICLE 6. MANDATORY CHIP AND BIB

Timing system the timing of the test will be carried out using a bib chip and all runners are required to wear it visibly on the front part of their torso (included in the registration price). Intermediate checkpoints will be installed to ensure that all runners complete the course in its entirety.

The organization is not responsible for the incorrect reading of the time displayed on the back chip if it is not correctly placed. For legal and safety reasons, it is not allowed to run with another participant's number under any circumstances.

For legal and safety reasons, running with another participant's race number is not permitted under any circumstances unless the race change has been made within the timeframe provided by the organizers (by September 7, 2026). Race insurance will not cover anyone running with someone else's race number in the event of an accident. The organizers may disqualify the runner.

ARTICLE 10. INSURANCE

All officially registered participants will be covered by an insurance policy that will cover accidents that occur as a direct consequence of the development of the race and never as a result of a latent illness or defect, recklessness, negligence, non-observance of the laws and the articulated regulations, as well as those that occur during travel to and from the place where the race takes place.

ARTICLE 11. MEDICAL ASSISTANCE

There will be medical assistance at different points along the route. There will also be medical assistance at the finish line.

The Organization recommends that runners undergo a medical examination prior to the test, with all participants accepting the risk derived from sporting activity.

ARTICLE 12. DOPING CONTROL

According to World Athletics regulations, doping controls will be carried out on male and female category participants designated by the official entities in charge (Basque Government and/or AEPSAD).

All participants are reminded that refusal to pass doping control entails automatic disqualification for all purposes. Participants who obtain a cash prize will not receive it until the results of the doping control are in the hands of the organization. If any result is positive, the corresponding counter-analyses will be carried out, which if equally positive, will deprive the affected participant of any prize (metallic or not).

ARTICLE 13. PRIZES

The top three overall finishers, both male and female, will receive trophies. There will be the same trophies for both the men's and women's categories.

The first-place finisher from the Basque Autonomous Community will also receive a trophy.

The organization also reserves the right to award other trophies, by notifying them in advance through its official channels (website and social media).

ARTICLE 14. PACEMARKERS

The organization will have at least 9 duly identified hares who will set the appropriate pace to perform 1:20, 1:25, 1:30, 1:35, 1:40, 1:45, 1:50, 2:00 and 2:30 hours.

ARTICLE 15. CLASSIFICATION

The organization will publish unofficial classifications on its website on the day of the test. The Official rankings will be published the next day. These may be modified by the judges once they have reviewed the passage controls that the organization places along the route to control the times until October 21, when the classifications will be the final official ones. Everything that is not contemplated in these regulations will be governed by the RFEA regulations.

ARTICLE 16. ENVIRONMENTAL IMPACT AND SUSTAINABILITY

The organization of the Donostia-San Sebastián Rural Kutxa Half Marathon is aware of the ecological impact generated by the event, and therefore undertakes to adopt, among others, the following measures:

The use of plastic containers at the supply stations will be avoided, replacing them with compostable containers and water from the Añarbe water network will be used.

A cleaning plan will be defined together with public administrations, whose objective is to return the city to its state prior to the test. We ask for the collaboration of both volunteers and participants to make this happen.

The use of free public transport will be facilitated by showing your number on the day of the test.
